REPORT OF THE INDEPENDENT AUDITORS

TO THE TRUSTEES OF

MADRESSAH-ZIA-UL-BADR

ASSALAAMU-ALAIKUM

We have audited the annual financial statements set out on pages 2 to 4. These financial statements are the responsibility of the Trustees. Our responsibility is to report on these financial statements.

We conducted our audit in accordance with generally accepted auditing standards. These standards require that we plan and perform the audit to obtain reasonable assurance that in all material respects, fair presentation is achieved in the financial statements. An audit includes an evaluation of the appropriateness of the accounting policies, an examination, on a test basis, of evidence supporting the amounts and disclosures included in the financial statements, an assessment of the reasonableness of significant estimates and a consideration of the appropriateness of the overall financial statement presentation. We consider that our auditing procedures were appropriate in the circumstances to express our opinion presented below.

In common with similar organisations, it is not feasible for the Association to institute accounting controls over fund raising and donation income prior to the initial entry of income in the accounting records. Accordingly, it was impracticable for us to extend our examination beyond the receipts actually recorded.

Except for the effects of any adjustments which might have been necessary had it been possible for us to extend our examination of income from fund raising and donations, in our opinion these financial statements fairly present the financial position of the Association at 28 February 1995/ 26 Jamidil Akahir 1416 and the results of its operations for the year then ended in conformity with generally accepted accounting practice.
