**REPORT OF THE INDEPENDENT AUDITORS  
TO THE COUNCILMEMBERS OF  
MADRESSAH ZIA - BADR**

We have audited the annual financial statements as set out on pages 2 to 4 for the year ended 28 February, 2009. These financial statements are the responsibility of the Council Members. Our responsibility is to report on these financial statements.

**Scope**

We conducted our audit in accordance with South African Auditing Standards. These standards require that we plan and perform the audit to obtain reasonable assurance that the financial statements are free of material misstatement. An audit includes :

- examining, on a test basis, evidence supporting the amounts and disclosures included in the financial statements,
- assessing the accounting principles used and the significant estimates made by management, and
- evaluating the appropriateness of the overall financial statement presentation.

We consider that our audit procedures were appropriate in the circumstance to express our opinion presented below.

**Qualifications**

In common with similar Organisation, it is not feasible for the Organisation to institute accounting controls over income prior to the initial entry of income in the accounting records. Accordingly, it was impracticable for us to extend our examination beyond the receipt actually recorded.

**Audit Opinion**

Except for the effects of any adjustments which might have been necessary had it been possible for us to extend our examination of income and cash expenses, In our opinion, these financial statements fairly present the financial position of the Organisation at 28 February, 2009 and the results of its operations and cash flow information for the years then ended in conformity with generally accepted accounting standards and in the manner required by the Companies Act.
