Independent Auditor's Report
To the Council Members of
Madressah Zia – UI Badr

We have audited the accompanying annual financial statements of Madressah Zia – UI Badr, which comprises the balance sheet as at 28 February 2016, the income statement for the year then ended as set out on pages 2 to 5.

Council Members Responsibility for the Financial Statements

The Council Members are responsible for the preparation and fair presentation of these financial statements in accordance with International Financial Reporting Standards, and in the manner required by the Companies Act of South Africa, 1973. This responsibility includes designing, implementation and maintaining internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatements, whether due to fraud or error, selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditors Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with International Standards on Auditing (ISRE2400). Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures select depend on auditor's judgements, including the assessment of the risks of material misstatement of the financial statements, whether due fraud or error. In making those risks assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee members, as well as evaluating the overall presentation of the financial statements.

We believe that audit evidence we have obtained is sufficient and appropriate to provide as basis for our audit opinion.

Qualifications

In common with similar organisations, it is not feasible for the Association to institute accounting controls over cash collections prior to the initial entry of income in the accounting records. Accordingly, it was impractical for us to extend our examination beyond the receipts actually recorded.

Audit Opinion

In our opinion, except for the effects of any adjustments which might have been necessary had it been possible for us to extend our examination of income beyond receipts actually recorded, these financial statements fairly present the financial position of the Association 28 February 2016 and the results of it's operations for the year then ended in conformity with generally accepted accounting practice.
